

RADIO OPERATORS AUTHORIZATION

Reference: CAP Regulation 100-1 V1

1. For the Civil Air Patrol member to obtain a Radio Operators Authorization, the following procedures must be followed:

a. Have a working knowledge of CAP Regulation 100-1.

b. Attend a communications class.

(1.) Complete a CAP Form 105 (CAP Radio Message Form). This goes forward with initial application.

c. Testing by the Communications Officer, CAP Form 119 (Radio Operators Permit Test). **THIS IS AN OPEN BOOK TEST** AND IS RECORDED ON cap Form 23 (General Purpose answer sheet), that goes forward with initial application.

2. After completion of the Communications Orientation Class, a ILWG Form 5 (Illinois Wing, CAP Radio Operators authorization Card Application), will be completed and items 1. b. (1.), and c., as listed above, will be attached to application. Send to the Illinois Wing Licensing Officer, at the following address:

John R. Rimicci
7249 W. Howard St.
Chicago, IL 60631
If you need to call, the number is: (312) 774-5989

3. Before sending application forward to Illinois Wing, be sure to make a copy for the suspense action file.

NOTE: The FCC Form 753 (Restricted Radio-Telephone Operator Permit application), is no longer required to be sent forward with the ILWG Form 5.

RENEWALS: Complete ILWG Form 5, and send to the Illinois Wing Licensing Officer at least 30 days prior to expiration of current card. **Attachments are not required for renewal.**
